The Coads Green Primary School Newsletter

Wednesday 9th February 2022

Goodness me, where did January go? Into February already and heading to half term.

We would like to welcome two new members of staff to Coads Green, Hayley Heywood is now our After School Club leader and Hayley Budge is our new Teaching Assistant in Class 3. It was sad to see Mrs Norgate retire after working with us for the past 18 years but she already has lots of exciting plans for the future.

As you are aware, COVID is still doing the rounds so please be extra vigilant and test if necessary.

The New Year started with our Cherry Tree planting ceremony. This tree was donated to the school as part of the SAKURA cherry tree project which is to commemorate the ongoing friendship between Japan and the United Kingdom.

As part of this project, over 6,000 cherry blossom trees are being planted across the United Kingdom symbolising the long standing and strong cultural links that underpin the relationship between the two countries.

We were lucky enough to welcome Councillor Adrian Parsons to join us and assist in planting our tree. It is envisaged that our tree will continue to blossom for many years, bringing colour and shade. It will also be at the heart of the community and enjoyed by all.

Well done to the children who took part in last week's An Daras Cross Country competition and a huge 'Congratulations' to Thomas for coming first in his year group.

We would like to say a big 'thank you' to all of the pupils that helped us support World Cancer Day on Friday 4th February.

We raised over £50!

Chinese New Year - After School Club

Well done to Mrs Heywood for hosting her first themed after school club.

The children were shown how to make Spring Rolls, sampled some other Chinese food and made paper dragons.

Dates for the Diary
