Gwenton (Spring) 2023

Dynnargh (welcome) back to a new year, and what a busy one we are having already. The children are enjoying their swimming lessons and are showing great resilience in overcoming any challenges they face.

Magic Martin visits Coads Green pupils

We had a lovely surprise to welcome the children back after the Christmas holidays, a visit from local magician, Magic Martin. This was postponed from the week before Christmas due to the weather. All the children and staff enjoyed the visit which was made possible by the school winning numerous prizes at Launceston Carnival and a contribution from the PTFA.

Duchy Cross Country

Well done to our small elite group of cross country runners, who have now taken part in the 2nd run at Duchy College, especially as last week's course was altered due to the vast amount of rain fall that we have received. Keep up the good work and thank you to all parents for transporting and in particular Helen Gribble for recording the scores after every race.

A very big thank you to our wonderful PTFA who over the last month have not only subsidised the transport for swimming but have bought 18 new sets of headphones and Spanish dictionaries as well as contributing to buying Christmas crackers and tablecloths for the children's Christmas lunches.

Go Cornish Accreditation

Nia Robertson, Schools Engagement Officer for Go Cornish has visited us to help us achieve our Bronze accreditation for Go Cornish.

We are hoping to attend an award ceremony at the beginning of March.

Class 3's trip to St Ives

On Wednesday 18th, Class 3 visited Tate St Ives & Barbara Hepworth's house/museum for the day.

The children were accompanied by local sculptor James Eddy who shared his expertise & passion for sculptures with the children.

We all had a fantastic day and the children's behaviour was exemplary.
