

COADS GREEN PRIMARY SCHOOL

Our 'Local Offer' for Special Educational Needs and Disability (SEND)

September 2024

At Coads Green School, we believe that every child is special and has individual needs.

Coads Green is an inclusive school and welcomes all children of any ability or disability. We have a staff who are trained to meet the needs of the children in our care. Children's abilities vary over a wide range, and many children have times, temporary or long term, when they may need extra support.

Examples may include:

- Specific problems with reading, writing or mathematics
- Emotional or behaviour problems
- Children with learning difficulties
- Visual, speech and language, hearing or mobility problems
- Children with exceptional gifts or abilities

Most children's individual needs are met by high quality wave 1 provision, but sometimes it may be necessary to make additional provision

Name and contact details of the Special Educational Needs and Disabilities Coordinator: Miss Claire Bader

The levels of support and provision offered by our school

1. Listening to and responding to children and young people

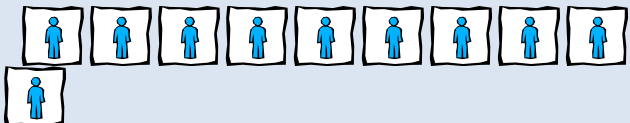

<p>Whole school approaches The universal offer to all children and YP.</p> 	<p>Additional, targeted support and provision</p> 	<p>Specialist, individualised support and provision</p> 
<ul style="list-style-type: none"> • The views and opinions of all children are valued • Student voice is heard through class representatives and school council officers, pupil conferencing and through the use of questionnaires. 	<ul style="list-style-type: none"> • Children with SEND are included in all Consultation groups • Children's views are included in meetings and through relevant review paperwork 	<ul style="list-style-type: none"> • We respond to children's views in the individual support we provide, and these views are an integral part of TAC meetings, parent consultations, SEN reviews and EHCP reviews • Pupils are supported in child centred planning and target setting

2. Partnership with parents and carers

<p>Whole school approaches The universal offer to all children and YP</p> 	<p>Additional, targeted support and provision</p> 	<p>Specialist, individualised support and provision</p> 
<ul style="list-style-type: none"> • The school works in close partnership with all parents and carers. 	<ul style="list-style-type: none"> • Families are always invited to support the delivery of school activities and extra-curricular clubs 	<ul style="list-style-type: none"> • Parents and carers are supported in attending, and are actively involved in all TAC meetings and reviews

<ul style="list-style-type: none"> • Parents and carers are invited to Termly Learning Conference meetings. • Parents information evenings are held and focus on areas of school improvement and development. • When necessary, written communication is in place to ensure relevant dialogue is in place. • The school operates an "open door" policy and parents and carers know who to approach if there are concerns. 	<ul style="list-style-type: none"> • Parents are able to contact school re concerns at any time • Parents are signposted to virtual sites and associations and groups to support their child's learning 	<ul style="list-style-type: none"> • Parents' views are an integral part of all meetings and reviews • Parents are invited to support their child on trips and residential events
---	---	---

3. The curriculum

<p>Whole school approaches. The universal offer to all children and YP</p> 	<p>Additional, targeted support and provision</p> 	<p>Specialist, individualised support and provision</p> 
<ul style="list-style-type: none"> • The curriculum is fully inclusive and all children have full access to every aspect of the curriculum • We have a creative curriculum that includes topic work to appeal to the interests of the child • Assessments, including Dyslexia testing, are used to identify pupils who need specific interventions 	<ul style="list-style-type: none"> • Intervention is carefully planned to meet individual needs • The progress of children receiving intervention is carefully tracking and impact measured • Small group intervention includes: English support - letters and sounds, reading Maths support Speech and Language 	<ul style="list-style-type: none"> • Children are supported in following their interests and at an appropriate challenging level which might include an individualised curriculum • Adults are deployed effectively so that the curriculum is accessed by all pupils with individual need. • In exceptional circumstances pupils are disapplied from end of key stage tests (appropriate protocol is followed)

<ul style="list-style-type: none"> The progress and attainment of all pupils is tracked to ensure all are achieving their full potential. 	Social skills Physical development - e.g. FunFit

Child in Care Service	Support and advice for pupils who are in care	CICESS Jane Stephens (SENCo lead) Tel: 01872 323104

Answers to Frequently asked Questions

1. How does your school know if children need extra help and what should I do if I think my child may have special educational needs?

We regularly assess the children, and discuss whether a child would benefit from extra help. We would then talk with you to discuss any intervention. If you have any concerns about the needs of your child, you are encouraged to speak with the Special Needs Coordinator, Miss Claire Bader and/or the class teacher

2. Who is responsible for the progress and success of my child in school?

An Daras Multi Academy Trust is ultimately responsible for your child, but delegate day-to-day responsibility to the Headteacher and her staff of Coads Green primary School.

3. How will school staff support my child?

The class teacher will have the highest expectations for your child and for all the pupils in their class. He/she will build on what your child already knows, can do and can understand. The teacher and the support staff will carefully check on your child's progress, and decide, in consultation with you, on any extra support needed to help them make the best possible progress.

4. How will I know how my child is doing and how will you help me to support my child's learning?

You will receive regular reports and face-to-face meetings. You are also welcome to make additional appointments if you have any concerns at all.

5. What specialist services and expertise are available at or accessed by your school?

There are a wide range of specialist services, including Speech and Language Therapy, Dyslexia Service, Child and Adolescent Mental Health Service, Autistic Spectrum Team and Sensory Service.

6. How will my child be included in activities outside the classroom including school trips?

All children are fully included in all activities, including school visits, and any reasonable adjustments will be made to ensure there is no discrimination.

7. How will school prepare and support my child through the transition from key stage to key stage and beyond?

The staff within the school carefully plan the transition from one year to the next and from Key Stage One to Key Stage 2. We work closely with all the secondary schools to ensure smooth transition to Key Stage 3. Provision might include additional supported visits to classroom/school and transition activities.

8. How are the school's resources allocated and matched to children's special educational needs?

The school budget, received from An Daras MAT, includes money for supporting children with SEND.

The Headteacher decides on the budget for Special Educational Needs in consultation with the MAT and the SENCo, on the basis of needs in the school.

The SENCO and Class teachers discuss all the information they have about SEN in the school, including:

- The children receiving extra support already
- The children needing extra support
- The children who have been identified as not making as much progress as would be expected, and decide what resources, training and support are needed
- All resources, training and support are reviewed regularly and changes made as needed.
