As we come to the close of another academic year, it gives us a lovely opportunity to look back and reflect on what has been a very busy but successful year at Coads Green Primary School.

We are incredibly proud of all our pupils and their focused and determined attitude towards their learning. In particular those in Year 2 and Year 6, who successfully achieved well in their SATs.

I would also like to take this opportunity to thank the staff for their commitment and hard work which makes Coads Green the successful and special school that it

is.

A very big thank you needs to go to our fantastic and hardworking PTFA members, Rebecca, Hayley, Paul, Steve & Jayne who have spent the hottest day of the year sprucing up our playground ready for September.

Finally I would like to wish you all a very Happy Summer break and look forward to welcoming you all back on Thursday 5th September.

Miss Bader & Mrs Gooding xxxx

#### PRE SCHOOL

We run a pre school here at Coads Green Primary School. The pre school runs alongside the school day and we charge £4.10 per hour. We can offer morning/afternoon sessions or full days.

If you require any further information please contact the school office.

#### Class 1

We have had a brilliant final half term in Class 1! Our play space has been enjoyed lots by the children and we are all very happy with it.

We have also rejuvenated our outside space, which has been brilliant during the lovely weather.

Class 1 would like to thank everyone involved with the recent improvements, including our wonderful PTFA for their fundraising.

## Class 2

What a fabulous few weeks we've had in Class 2! The trip to Camel Creek was awesome and we all were able to go on so many different rides and have a lot of fun.

We learnt so much about the universe in the Explorer dome which was an exciting portable planetarium. It was a lively and interactive science show which the children really enjoyed.

We were able to be up close and personal to the owls of the Screech Owl Sanctuary, learning lots of interesting facts about them.

On Monday we had a whole day forest schooling in the woods - making dens, lighting fires and eating marshmallows and strawberries! Yum!

I would like to say how proud I am of the Eco Warriors who were great at our recycling event last week. They spoke to different people about ecobricking and many visitors said that they were a credit to the school. Thank you Josh, Nathan, Robbie and Magnus for representing Coads Green so successfully.

Finally, a plea from Mrs Reid - please collect any old mascara wands as they can be used to help wildlife and bring them in to school.

Have a wonderful Summer break, everyone!

## Class 3

What a term we've had!!

We have been very lucky to have Mrs Gilbert join us to teach cello and violin. Both Year 5 and 6 have made great progress and are sounding fantastic.

In RE, Mrs Norgate has taught us all about Methodism and we rounded this off with a trip to Wesley Cottage at Trewint to see where John Wesley preached and stayed in Cornwall.

The highlights of the term though had to be our residential trips to St Ives and London.

The Year 5s trekked down the A30 to St Ives where we started the camp with surf lessons and a day on the beach.

The rest of the week consisted of enjoying the artistic opportunities St Ives provides with a beach art workshop and visits to the Tate and Barbara Hepworth Museum.

The Year 6s then took the train to London and headed straight to the British Museum and Covent

Garden before a particular treat - the School of Rock!

On the next morning we had a guided tour of the Houses of Parliament with Baroness Jolly and witnessed a debate in Commons. In the afternoon we took a boat trip to Greenwich and enjoyed walking tours around different parts of London.

The 311 steps of Monument were a particular challenge before finishing the trip off ascending Tower Bridge and braving the glass floors.

## Important Notices

### Governing Body Vacancies

We currently have 2 vacancies on our Governing Body. Our Governing Body is a strength of the school and are instrumental in driving improvement. If you would like further details or are interested in applying for a position, please talk to Miss Bader or Miss Roberts (chair).

We hope that you are always treated fairly, and feel able to come into school to discuss issues. We are open to reviewing our equality and inclusion policies. What does this mean? We aim, in everything we do to treat all members of our school community fairly in all respects - gender, race, age, sexual orientation, religious belief.

If you feel that you are being treated less than fairly it is hoped that you feel able to discuss the matter with any member of staff here at the school, or if you would prefer to discuss it with a Governor, please do so.
